There's nothing a pampered pet likes better than a professional wash and blow-dry.

At Doris Dog Wash — based at Gelli Farm Kennels — your pooch can settle back to enjoy a thorough grooming, clipping and scissoring.

For the more discerning of clients, a full hand-stripping service is also available on request.

Doris Dog Wash also provides a full ear and nail care service.

So whether your four-legged friend is a Chihuahua or a Great Dane, take a trip to Doris Dog Wash for a shampoo and set they will never forget.

# Enjoy a dog's life

When it comes to man's best friend, there can never be anything too good for our beloved pets.

So while you plan to head off towards sunnier climes, why not make sure that Fido, Pooch and Rover can also look forward to a five-star vacation this summer.

Ron and Rosie Dunhill of Gelli Farm Kennels — the region's leading kennels and cattery — have recently completed a major refurbishment to ensure that your beloved pets receive the very best in pampering while you sun yourself beneath Mediterranean skies.

Gelli Farm Kennels has installed a fully insulated roof — meaning your pets keep warm in winter and

stay cool in summer — as well as redecorating throughout.

The facility has also developed a new luxury cattery, with donut beds and toys. Each pen within the cattery is also individ-

ually heated, so Tiddles may be keen to extend her own personal holiday.

A favourite with local vets, Gelli Farm Kennels is able to administer prescribed medicines and injections while the home collection and delivery service ensures that pet owners having the easiest time of all.

Gelli Farm Kennels also offers a wide selection of pedigree tinned and dried pet foods, as well as the very best treats a favourite pet deserves.

whether the real master of your home prefers Whiskers, Kit-e-kat, Pedigree by Nature Pal or Chappie, Gelli Farm Kennels will have it in stock — and the food is not only available for its temporary guest, but is on sale to breeders and pet owners too.

So whatever your plans this summer, make sure that your best friend is as well looked after as can be by sending them on their own holiday of a lifetime at Gelli Farm Kennels.

Deposits are being taken for limited space for this summer. For more information, call Rosie on 01269 592624 to arrange a viewing and book a truly fabulous holiday escape for your best friend.
